PMI Exhibits at 2009 Greenbuild Show

Rolling Meadows, IL – The Plumbing Manufacturers Institute will exhibit at this year's Greenbuild Show, being held November 10-12 at the Phoenix Convention Center in Phoenix, AZ. PMI will occupy booth number 3746.

The Greenbuild Show is emerging as a leading exhibition for plumbing manufacturers to exhibit their water efficient products. PMI will highlight their safe plumbing website, www.safeplumbing.org, at the Show as well as explain the benefits of membership in the association.

"This is the third year that PMI has participated in the Greenbuild Show and we are delighted to be back," said PMI's Executive Director, Barbara Higgens. "Our presence at the Show is a demonstration of the plumbing manufacturing industry's support of 'green' and our commitment to the efficient use of water. Greenbuild gives us the opportunity to build awareness of the advancements in our industry and promote PMI's educational website, safeplumbing.com, which is designed to spread the good word of efficiency and sustainability."

For more information about PMI's presence at the 2009 Greenbuild Show, please contact Barbara Higgens at 847-481-5500.

About PMI: The Plumbing Manufacturers Institute is the voluntary, not-for-profit international industry association of manufacturers of plumbing products, serving as the Voice of the Plumbing Industry. Member companies produce a substantial quantity of the nation's plumbing products.
